Desegregation

If an LEA is subject to a desegregation plan, whether that plan is voluntary, court-ordered, or required by a Federal or State administrative agency, the LEA is not exempt from offering students the option to transfer [34 C.F. R. Section 200.44 (c) (1)].

5. Is the LEA operating under a court-ordered plan?

- Yes
 No

6. Does the desegregation plan limit the opportunity for students to transfer?

- Yes If yes, what actions has the LEA taken to meet school choice requirements?
Provide documentation.
 No

7. Is choice offered within the parameters of the LEA's plan?

- Yes
 No If no, then the LEA needs to seek court approval for amendments to the plan that permit a transfer option for students enrolled in schools identified for school improvement, corrective action or restructuring. In accordance with NCLB:
- o "If the LEA is unable to secure changes to the plan that permit a transfer option, the LEA will be out of compliance with Title I. If that occurs, it should notify the SEA and this Department of its request to the court and of the court's decision [34 C.F.R. Section 200.44 (c) (3)].
 - o "If the plan has been agreed to with the Department's Office of Civil Rights (OCR), OCR will work with the LEA to identify permissible amendments to the plan that will enable the LEA to comply with Title I public school choice requirements."

Special Education and Choice

LEAs must ensure that students with disabilities are provided a free appropriate public education (FAPE) consistent with the Individuals with Disabilities Education Act (IDEA), Section 504 of the Rehabilitation Act of 1973 (Section 504), and Title II of the Americans with Disabilities Act (ADA Title II) in their school of choice.

8. Does the LEA offer students with disabilities a comparable range of choice options?

- Yes
 No

9. If the LEA has limited choice capacity, and is providing additional services in lieu of choice, does the LEA offer a comparable range of alternative services to children with disabilities?
